

WOMEN'S SHELTER
BORLÄNGE

ENGELSKA

0243-814 01

You can turn to the women's shelter if you have suffered psychological or physical abuse, rape, honour-related problems, harassment or threats.

You can remain anonymous and we have confidentiality.

All women, irrespective of social and cultural background, ethnicity, sexual preference, age or disability are entitled to be met and treated with respect.

If you live in Borlänge Municipality and need help and support, contact us!

DIFFERENT FORMS OF SUPPORT:

- Supportive talks - meetings in person or over the phone.
- Protected housing - an apartment with a protected address is available for acute situations.
- Practical help - support through contact with the police, a solicitor, social services and medical or psychological treatment.
- Advice - support for relatives or friends of those exposed to violence.
